**FROM:** Mr. A. J. Huetteman

**SUBJ:** SHOWER TO SHOWER\* Powder - FDA Voluntary Cosmetic Programs

**DATE:** October 31, 1977

As we discussed, Personal Products Company will take full responsibility for SHOWER TO SHOWER\* on January 1, 1978. During January, I will take the necessary steps to register with FDA and our Consumer Affairs Department will be taking over the complaint handling. We will meet early in January to determine whether filing a new Cosmetic Product Ingredient Statement or simply modifying the existing CPIS is necessary.

For the remainder of 1977, we agreed that, since the brand is still a DOC responsibility, you will file the Cosmetic Product Experience Reports.
